I authorize the performance of appropriate treatment, including diagnostic and therapeutic treatment that may be determined necessary or beneficial by the physician or provider in the care of the consumer. I understand that the practice of behavioral medicine is not an exact science and acknowledge that no guarantees have been made as to the results of treatment or care. I have received the Orientation to Services brochure.

I agree to keep all information about other consumers confidential and will not disclose or discuss with any person or agency outside of DAYMARK.

NOTICE OF PRIVACY PRACTICES: I have also received, and had the opportunity to read, DAYMARK’s *Notice of Privacy Practices* that explains how confidential information about me is used and disclosed by DAYMARK.
